

**RSS YOUNG  
ACTORS  
COMPANY  
TRIP TO  
MALTA**  
**4<sup>TH</sup> ~ 8<sup>TH</sup> JULY!!**

*The best, most extraordinary and  
special adventure.*

*Hard to put into words just how much happiness, excitement, companionship and pride buzzed through our company from the first to the very last second of the trip...*

*But it was...FANTASTICALLY FULL ON!!!*

*The plays were exceptionally received and if you follow RSS Facebook you should be able to see our opening introductory film which played over the backdrop as the cast stepped on stage.*

*It was HOT HOT HOT out there but we found beautiful spots to swim in the sea on Friday afternoon and Sunday morning...*

*...visited the stunning historic capital city of Valetta twice*

*...and spent Sunday afternoon in the ancient towns of Mdina and Rabat.*

*One of the most special things was the bond  
that struck up straight away with the Maltese students from  
Masquerade...and we look forward now with great excitement to  
hosting their performance for us here next year...*

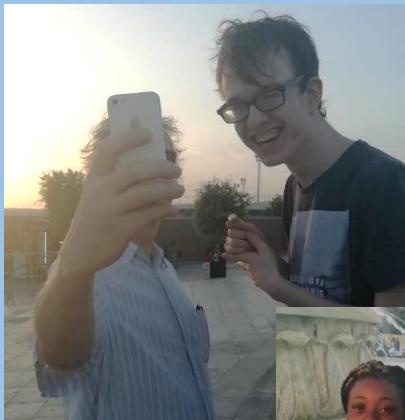

**REALLY COULD NOT BE MORE PROUD OF THE FLAG THAT WE FLEW FOR THE RSS, FOR YOUNG PEOPLE WORLDWIDE AND FOR MAKING SOMETHING WONDERFUL ACTUALLY HAPPEN.**

*It struck me that through theatre we were not only creating an experience that would last a lifetime but also carrying a textual, resonant message across the world, performed with brilliance by our*

*young company of actors.*

*It has to be said that we did bring an exhausted troupe home who really made the most of their celebratory days and nights! But dreams of life-long friendships, travel and realisation of our success will last for ever...and who can blame them for dancing the night away....!*

*We are super proud that we looked after each other and PULLED IT OFF*

**WELL DONE GUYS**

**AND A SPECIAL THANK YOU TO JIM, CHRIS AND ALL OF RSS**  
*Katie and Laura-May*
